4 If you are a UK taxpayer, under the Government's Gift Aid scheme, ME Research UK can reclaim the tax you have already paid on your gift. This means your donation can increase in value by a quarter at no extra cost to you. You confirm that you are a UK taxpayer and understand that if you pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all your donations in that tax year it is your responsibility to pay any difference. Please notify us if you wish to cancel this declaration; change your name or home address or no longer pay sufficient tax on your income and/capital gains. If you pay Income Tax at the higher or additional rate and want to receive the additional tax relief due to you, you must include all your Gift Aid donations on your Self-Assessment tax return or ask HM Revenue and Customs to adjust your tax code.

Please tick the box below if you would like ME Research UK to reclaim the tax on your gift.

☐ Please treat this and any future donations I make to ME Research UK, and all payments I have made to ME Research UK in the past 4 years, as Gift Aid donations.
