ME Research UK Christmas Cards 2026

Thank you so much for supporting ME Research UK by buying our Christmas cards. The wording inside each card reads "With Best Wishes for Christmas and the New Year". On the back of each card there is a note about the charity so your friends and family can learn more.

Please order using the form overleaf. See a larger version of each card at: meresearch.org.uk/christmas-cards. You can also order your cards online from: shop.meresearch.org.uk. We can supply cards to Great Britain, the Isle of Man and the Channel Islands.

Thank you for aiding our work – informing, influencing and investing

ME Research UK-funded research suggests that in excess of 400,000 people in the UK have ME/CFS, a condition involving debilitating malaise, pain and neurological symptoms.

Across the world, millions are affected, yet research into this illness is still very sparse. We desperately need ME/CFS to be researched and treated consistently, but we can only do this with help from people like you.
